The team will meet on Tuesday, July 17, 2001 & Tuesday, July 31, 2001. Both meetings are scheduled from 7:00-9:00 p.m. at the Resource Center.

**III. AGENDA FOR THE NEXT MEETING (JULY 17, 2001)**

Some discussion needs to take place about giving the public more opportunities to give their input on the work the team has done & about what the team feels they can comfortably move forward with as recommendations to City Council. **IT IS VERY IMPORTANT THAT AS MANY TEAM MEMBERS AS POSSIBLE ATTEND THE NEXT MEETING SO THAT THE TEAM CAN MOVE FORWARD WITH EVERYONE'S INPUT.**

Issues that the team felt some urgency about included rezoning Greenlawn, the new zoning district, & the location of the firehouse. Terry felt that it would be better to discuss this with more team members present.
